# CENTRAL AMERICA

Interventions in Affairs Bing About Critical Sugation.

R VULUTIONISTS TAKE ADVANTAGE

Getting Ready for Hostilities-Pandemonium May Break Loose at Any Time-

Panama, January 29 .- The interventions of the Central American republics in each resent other's international affairs have brought but it America. President Manuel Estrada Caevern of Gustemals is in favor of the cted president of Honduras, Manuel Roin, while General Zelaya, president of icerages, and General Regulde, president Salvador, lasher that the retiring presshall continue in the presidency.

Meanwhile the revolutionists are prepared ording to the latest news received, the Salvadorean and Gustemalan armies, commanded by their respective presidents, Cobreez and Regulde, were on the frontier. accompanied by revolutionary refugees, and on the point of hostilities,

According to previous dispatches, the retiring president of Henduras, General Sterrs, had refused to turn over the presi dential power to Renor Bonilla and has made efforts to persuade congress to declare the latter's election null; Senar Boallia had retired to Amapali taland, where had gathered his followers and a quanity of munitions of way and had threatued to start a revolution if he did not ebtain his rights. A later disputch annonneed that the Hondurezn congress had approved the election of Bonilla.

A disputch from Panama, January 20, re ported that General Varahona and Manuel Rives had organized a force on the frontier of Gustemnia and scarted a revolution in Salvador. Senor Regaldo had left the cupital to engage a rebel army.

### MINISTER SERIOUSLY ILL

January 20, Foreign Minister Prinstil had an attack of paralysis in his left side while in andience with King Victer Emmanuel today. He was removed to his hears in a serious condition. The ministers were holding their usus) semi-weekly conference with the king at the Quirinal when Shinor Priners, who was addressing his majesty, suddenly threw up his arms singered and would have fallen but for use fact that he was caught by his co-legues. The incident caused great excite ment. The king rang for assistance and Minister of Compactor Bacelli, who is pecially attached to Signor Princiti, was used affected. His majesty decided that the schulator should be put to bed in the putional, but Dr. Bacelli decided it would be necessary to convey him to his home, which was done.

which was done.

It is said the whole of Signor Princiti's left side is affected, but the physicians are nopeful that he seen will recover.

A number of persons called at Signor Princiti's residence during the day to make inquires regarding his condition.

### THE GROWTH OF TEMPERANCE. Restraints Pinced on Liquor Trade for

First Time in Mexico. Mexico City, January 20. - There is general approval of the new regulations governing har rooms and places where pulgue is said. All drinking places must close a noon on Sundays. On all other dars har rooms must close at B p. m. Heavy flues will be imposed for infraction at the law. This is the first attempt to cure the regularity to cure the regularity and talk of petitioning the government to reverse its order. There are 2301 liquor shape in this city of 440,000 people, and the government is determined to take measures to precont public demoralization, with its resulting powerty and order.

# More and Cheaper Light Free Lamp Renewals.

On and after Pebruary 1, 1903, the Houston Lighting and Power Company will be prepared to offer to present enstomers and prospective opes a security for incurdenced and are lighting; also celling and buse fans furnish from the alternating current effeults.

This new rate is what is known as the TWO or DOUBLE RATE SYSTEM which has become so copular in the larger cities of the United States. For the first 1 1-5 hours burning of a 16 candle power incandescent has the rate will be 13 cents per Kills Watt-hour (about 7:10 of 1 cent per lamp per hour and longer burning will be at the rate of 7 CENTS per Ros. Watt-bour dess then 4-10 of I cent per lamp per hour),

Under this system then, the longer lamps are burned the less the cost me ur. This system has been installed in the largest cities throughout the county and has proved most satisfactory to both the electric light companies and the

The business of this company has increased at the rate of about som trib per year for the past two years, but having just enlarged their plant and is stalled additional omeninery capable of supplying 12,000 lights more, and wising to utilize this machinery they have decided to offer this new rate to ea tomers making a contract. In conjunction with this new rate the company proposes to furnish FREE

renewals of dim or buent out immps, which alone amounts to a reduction t their rates of about 8-10 cent per Kilo-Watt-hour. Also a discount of 8 pe cent allowed on all bills paid by the 10th of the following from The Lighting Company's lines now cover nearly all parts of the car are they are prepared to furnish current any reasonable distance from the present lines. Any further information regarding this system and making control will be cheerfully furnished by applying at their office at No. 2003 Mah
